# F4-DMDR-4M-SGW1-D

D-CLASS HELIAX® 1/2" SureFlex® Jumper with interface types 7-16 DIN Male and 7-16 DIN Male Right Angle with HELIAX® SureGuard weatherproofing, 4 m (boot on DM end only, and DR end no boot)

• If there are threads along the entire device port length, the HELIAX® SureGuard weatherproofing solutions will only seal properly if the HSG-M29-ADPT adapter is installed on the device port

#### Product Classification

| Product Type                       | SureFlex® D-CLASS, dynamic PIM |
|------------------------------------|--------------------------------|
| Product Brand                      | HELIAX®   SureFlex®            |
| Product Series                     | RSJ4-50                        |
| General Specifications             |                                |
| Body Style, Connector A            | Straight                       |
| Body Style, Connector B            | Right angle                    |
| Interface, Connector A             | 7-16 DIN Male                  |
| Interface, Connector B             | 7-16 DIN Male                  |
| Specification Sheet Revision Level | A                              |
| Dimensions                         |                                |
| Length                             | 4 m   13.123 ft                |
| Nominal Size                       | 1/2 in                         |
| Logo Image                         |                                |
