

L4310-GT

Installation Tool for L4HM-S, L4HF-S and L4HM-F connectors

Product Classification

Product Type	Tool
Ordering Note	CommScope® non-standard product

General Specifications

Application	Prepares cable for connector attachment
Cutting Blade Life	100 cable preparations
Cutting Blades Included	1
Jacket Blades Included	1
Tool Type	Manual cable preparation tool

Dimensions

Height	50.038 mm 1.97 in
Width	50.038 mm 1.97 in
Length	109.982 mm 4.33 in
Nominal Size	1/2 in
Wrench Opening	0 mm 0 in

Material Specifications

Material Type	Engineered plastic
----------------------	--------------------

Mechanical Specifications

Torque Value	0 in lb 0 N-m
---------------------	-----------------

Packaging and Weights

Packaging quantity	1
Weight, net	0.186 kg 0.41 lb

L4310-GT
