

# MTC9336B4DF

---

Equipment Platform, 4 ft x 8 ft, four adjustable legs

## Product Classification

**Product Type** Equipment platform system

## General Specifications

**Legs, quantity** 4

## Dimensions

**Height** 30 in | 762 mm

**Width** 48 in | 1,219.2 mm

**Length** 96 in | 2,438.4 mm

## Material Specifications

**Material Type** Hot dip galvanized steel

## Packaging and Weights

**Included** Frame | Grating | Hardware | Legs

**Packaging quantity** 1

**Weight, net** 260.8 kg | 574.965 lb

## Regulatory Compliance/Certifications

### Agency

ISO 9001:2015

### Classification

Designed, manufactured and/or distributed under this quality management system

## Included Products

EQ-P-DF – Weight Disbursement Leg for Equipment Platform
