

FGS-HETP

Base Product

FiberGuide® Existing Threaded Rod Trapeze Bracket Kit

- Engineers and installers can benefit from the large suite of available FiberGuide design tools
- FiberGuide is an optical raceway system for central office, mobile switching center and data center applications
- FiberGuide maintains a minimum bend radius throughout the entire system, regardless of the system size
- FiberGuide products are designed and manufactured to ensure total off-frame fiber cable protection

Available in the following system dimensions:

- 102 mm x 305 mm (4 in x 12 in)
- 102 mm x 610 mm (4 in x 24 in)

Product Classification

Regional Availability	Asia Australia/New Zealand EMEA Latin America North America
Portfolio	CommScope®
Product Type	Support mounting kit
Product Brand	FiberGuide®
Product Series	FGS
Ordering Note	No threaded rods included - to be ordered separately

General Specifications

Color	Black
Orientation	Horizontal
Section Type	Bracket

Material Specifications

Material Type	Steel
